

UL Labeling

EMS Freight Doors have been tested and certified to UL10B Fire Rating. UL 'B' label is provided on doors up to 13' 6" wide by 12' 0" high. UL 'B' Oversized label is provided on doors larger than 13' 6" wide by 12' 0" high up to 16' 10" wide by 15' 0" high. Doors manufactured larger than the sizes listed are built to the same stringent conditions as EMS UL certified doors but are beyond the capabilities of UL testing.
